### Scalability & Future Plan

Describe how the current solution can scale to handle increased load or users, and outline the features or enhancements planned for future releases.

#### Scalability

| Aspect                        | Details |
|-------------------------------|---------|
| <b>Current Architecture</b>   |         |
| <b>Scalability Approach</b>   |         |
| <b>Expected Growth / Load</b> |         |

#### Future Plan

| S.No | Planned Feature / Enhancement | Target Timeline | Priority |
|------|-------------------------------|-----------------|----------|
| 1    |                               |                 |          |
| 2    |                               |                 |          |
| 3    |                               |                 |          |
| 4    |                               |                 |          |
